Self Marshalling

Self marshalling will be in practice for this event. Athletes will be instructed by the check started to move behind the blocks once the event (or timed final) ahead of them has entered the water.

An overflow room (old marshalling rooms) will be available for swimmers to ready themselves prior to their race. When Self Marshalling is in place, there is no requirement for the swimmers to use this room. They may just turn up behind the blocks without any formal check in.

A help desk will be set up at the start finish end of the pool and can be used by swimmers when they require assistance.

Results and Livestream

For all the results head to: swimmingresults.net

Compiled results outlining the finish times and overall rankings can be viewed at swimmingresults.net, individual event results will be available 10 minutes after the event has been swum in all locations, please check the compiled timeline for estimated times.

Individual location results won't be available via Meet Mobile, instead swimmers can view their split and reaction times via the printed results available within the venue. Following the conclusion of each session, Swimming Australia will upload the full results to the Virtual Short Course webpage, available [HERE](#). Full results will be available approximately one hour after the session has concluded in all locations.

This event wont be livestreamed, you can follow all the action on the Swimming Australia social channels.
