3 Long List

- 3.1 For the purpose only of identifying prospective members of the Team, the National Federation and AOC may maintain a Long List of Athletes.

6 Nomination Criteria

Individual Olympic Events

- 6.1 Subject to Clause 6.5, the first and second placed Athletes who equal or better the SAL Qualifying Time in the 'A' final of an Individual Olympic Event at the Qualifying Event (or, if relevant, the Alternative Qualifying Events) and who are available to swim in that Individual Olympic Event at the Games will be nominated to the AOC for selection for that Individual Olympic Event.

- 6.2 If only the first placed Athlete equals or betters the SAL Qualifying Time in the 'A' final of an Individual Olympic Event at the Qualifying Event (or, if relevant, the Alternative Qualifying Events), only they will be nominated to the AOC for selection for that Individual Olympic Event.
- 6.3 If no Athletes equal or better the SAL Qualifying Time in the 'A' final of an Individual Olympic Event at the Qualifying Event (or, if relevant, the Alternative Qualifying Events), then no Athlete will be nominated to the AOC for selection for that Individual Olympic Event.
- 6.4 If two or more Athletes tie in the 'A' final of an Individual Olympic Event at the Qualifying Event, and the tie will determine whether one or more of the tied Athletes is nominated to the AOC, a swim-off will be conducted at the Qualifying Event between the tied athletes at a time to be determined by the Competition Technical Manager.
- 6.5 If the number of Athletes who achieve a SAL Qualifying Time at the Qualifying Event (or, if relevant, the Alternative Qualifying Events) exceeds the maximum number of quota places available under the Qualification System, then:
- (a) each Athlete's performance in the Individual Olympic Events will be compared by ranking the performances based on the 2019 FINA World Rankings (two athletes per nation, excluding Australian Athletes. Australian Athletes are excluded to remove performances swam during the season but not at the selection event from the selection process) and the higher ranked Athlete will be given priority for selection; and
 - (b) In the event of a tie for the final position on the Team based on the 2019 FINA World Rankings, then the 2019 FINA Point Score(s) will be used to compare each Athlete's performance in the Individual Olympic Event, and the athlete with the higher scoring performance will be given priority for selection; and
 - (c) in its sole and absolute discretion, the National Federation may prioritise relay only swimmers over Athletes who achieve SAL Qualifying Times in Individual Olympic Events.
- 6.6 An Athlete who is nominated to the AOC and is ultimately selected by the AOC to the Team, may be chosen by the Swimming Australia National Head Coach to compete in an Individual Olympic Event for which they did not meet the SAL Qualifying Time, subject to that Athlete having met the FINA A Qualification Times outlined in the Qualification System for the relevant event. The decision by the Swimming Australia National Head Coach:
- (a) may be made at his/her absolute discretion, which is not required to be exercised; and
 - (b) is not capable of being appealed either under the SAL Appeals Charter or otherwise.
- 6.7 Irrespective of this clause 6, the National Federation will only nominate Athletes who, in the opinion of the National Federation, in its absolute discretion are, and will remain, a positive ambassador for the Sport, the National Federation and the Team at the Games.

- including past relay skills, such as changeover times and splits;

 - (ii) In the event that both Designated Consideration Meets are cancelled the SAL Selection Committee will give consideration to the Secondary Consideration Meets.
- 7.2 The nomination or non-nomination of Athletes under this clause 7 will be confirmed to athletes on **Tuesday, 15 June 2021.**

- 8.4 The National Federation may consider an Athlete's non-attendance at the Qualifying Event to be an Extenuating Circumstance in its absolute discretion. The National Federation may require an Athlete to undergo a medical examination as a condition of treating the Athlete's non-attendance at the Qualifying Event as an Extenuating Circumstance. If the National Federation exercises its discretion, Athlete performance will be considered from the Alternative Qualifying Events.
